

CAMPING REGULATIONS

1. Camping is permitted at designated camping areas with not more than six (6) people or the members of one family unit at any one site. A family unit is considered to be parent(s) and unmarried children living in the same household. All vehicles must be registered at the tollhouse. Vehicles and personal property are to be placed only on the site(s) rented by you, not on adjoining sites. All vehicles/boat trailers must be within the limits of your campsite or in a designated parking area.
2. Campers must have a reservation before setting up on any campsite. To prevent overloading electrical circuits, only one (1) camper unit may be plugged into the campsite electric pedestal. Unoccupied or unrented campsites may not be utilized for electric service.
3. Campers will display the user permit on the site identification post and return it to the tollhouse when departing. Checkout time is 4:30 p.m. on the day the permit expires.
4. All visitors will check in at the tollhouse and will be charged a visitor's fee. Visitors must leave by 9:30 p.m. No more than six (6) visitors per campsite at one time are permitted.

The use of properly muffled generators is permitted between the hours of 6:00 a.m. and 10:00 p.m. Individuals who are boisterous, rowdy, disorderly, or otherwise disturb the peace at any time may be requested to leave the campground and forfeit all camping fees paid.
7. Vehicles/boat trailers must be parked within the limits of the campsite (within defined border or on gravel driveway) or in a designated parking area.
8. Fires may be built only in fireplaces or grills. A responsible person must attend to all fires. Hang lanterns on metal holders provided at campsites. No burning of treated lumber or wood containing metal is allowed.
9. Any loaded projectile fire device, ammunition, and explosives of any kind are prohibited in the area except when in the possession of a Government employee or law enforcement officer on official duty. The possession or use of fireworks is prohibited.

Children may not operate low profile recreational riding vehicles on roadways UNLESS accompanied by an adult.
