

PALISADES HORSE CAMPGROUND

Elevation 8,400 ft.

Williams Creek Trailhead

This campground is for equestrian campers only. Sites 1,3,5, 11 are double sites and accommodate two trucks & two trailers. Other sites accommodate one or two trucks and one trailer. Corrals are metal pipe style. Some have rubber mats, some have dirt floors. Sites with updated cement corrals, 2,9,10,6/12. Sites 6 & 12 have shared, divided corrals. Users must clean animal waste. Wheel barrows, muck buckets, and rakes are available by each dumpster. Horses may be tied outside corrals but not to trees. No grazing within the camp. Certified weed free hay/feed is required. All dogs must remain on a leash in the campground.

Williams Crk. Reservoir, 3.7 mi.
